

Build-A-Bear Introduces SKOOSHERZ, the Newest Huggable Furry Friend Collection
In Time for National Hug Day, SKOOSHERZ Design is Perfect for Big, “Skooshy” Hugs

ST. LOUIS, MO (January 12, 2024) - Build-A-Bear Workshop unveils a new line of collectible plush friends, [SKOOSHERZ](#), that are uniquely styled for optimal squishing and hugging benefits. Named after a hug, or a “skoosh,” these adorable spherical furry friends are made with an ultra-soft plush and extra huggable stuffing making them perfect for “skooshing.” SKOOSHERZ’s new look and feel are a departure from the iconic brand’s signature assortment of make-your-own plush friends and will feature a variety of characters at the initial launch with new collectible versions of these charming friends expected to be released throughout the year.

SKOOSHERZ AND NATIONAL HUG DAY

As a teddy bear hug authority, Build-A-Bear was inspired to create the extra huggable SKOOSHERZ as research indicates hugs improve emotional and physical wellbeing by increasing oxytocin levels (also known as the “cuddle hormone”) to promote a sense of security. Launching in anticipation of National Hug Day on January 21, Build-A-Bear’s new SKOOSHERZ collection is expected to benefit many with a big happy “skoosh” (or perhaps ten), which is aligned with company mission to add a little more heart to life.

Build-A-Bear will be celebrating National Hug Day across the country with a special introductory promotion for SKOOSHERZ. Beginning today, and for a limited time, select [Build-A-Bear Workshops](#) and [BuildABear.com](#) will offer guests an opportunity to buy SKOOSHERZ for a special price of \$10 (standard retail price of \$20.00) with the purchase of a make-your-own furry friend.

“Our fresh SKOOSHERZ line is a tangible representation of the feel-good ethos behind the Build-A-Bear brand, and our goal with this new collection is to amplify the proven benefits of a big skooshy hug,” said Sharon Price John, President and Chief Executive Officer at Build-A-Bear. “For over 25 years Build-A-Bear has been sharing furry friend hugs with guests of all ages and we are delighted to continue this tradition with this fun, new offering!”

SKOOSH, SQUEEZE AND SHOP!

The initial collection of SKOOSHERZ new huggable friends features five fan-favorite Build-A-Bear characters, including a new version of the best-selling Toy of the Year Finalist, Axolotl.
