

DIY BEAR MASK

It's Beary Important to Keep Furry Friends Healthy!

Follow These Simple Steps to Make a Mask for Your Furry Friend.

Always ask a grownup for help with scissors.

1

You will need:
1 Dryer Sheet
1 Rubber Band
Pair of Scissors
Your Furry Friend

2

Take your dryer sheet and smooth it out flat.

3

Take your dryer sheet and fold into an accordion fold: back and forth, going front and back.

4

Crease your folds so it stays in place.

5

Cut your rubber band in half.

6

Take your dryer sheet and fold over the end. Use the scissors to make a little slit. Do the same to the other side.

7

Put your rubber band through the slit.

8

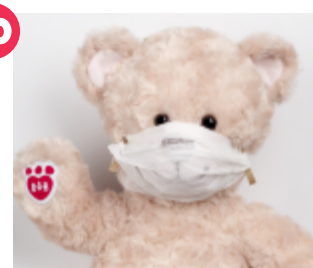

Knot the rubber band. Repeat with the other end of the rubber band on the other side.

9

Unfold the according of the dryer sheet to open the mask.

10

Place your mask on your furry friend's muzzle with the rubber band going around its head.
